## Letter of Recommendation

Dr Janet du Plooy from West Rand Heritage Consultants managed the approval process of the Heritage Impact Assessment (HIA) as well as the Conservation Management Plan for Abland (Pty) Ltd. on the Loftus Park project in Pretoria.

A positive Record of Decision (ROD) was received on the HIA from the PHRA-G and we were satisfied with the service we received from our consultant. The Conservation Management Plan with associated application to "Deconstruct and Reconstruct" the heritage building on site namely the Club House, formerly referred to as the Sinbin, was a more complex project. Here too a positive ROD was received.

Throughout both projects West Rand Heritage Consultants provided a professional and courteous service. The fact that Dr du Plooy is very familiar with the procedures of PHRA-G, coupled with her relentless pursuit of these approvals is recommendable.
