**REFERENCE LETTER FOR WEST RAND HERITAGE CONSULTANTS**

West Rand Heritage Consultants have worked with Interdesign Landscape Architects (ILA) on numerous projects relating to heritage resources and the acquiring of permits as required in terms of the National Heritage Resources Act.

We found the personnel assigned to the projects to be highly professional with extensive knowledge in their field of expertise. The process in terms of the above-mentioned legislation ran smoothly and timeously. Any difficulties that arose were addressed and resolved quickly and competently.

We would recommend their services to any organisation seeking similar services.

Should you require any further information please do not hesitate to contact me.

Yours faithfully
