TO WHOM IT MAY CONCERN

West Rand Heritage Consultants managed the approval process of several heritage applications to the Gauteng Provincial Heritage Resources Authority on behalf of The Parks Property (Pty) Ltd. We received a positive decision and approval on all of the applications. The process in terms of the heritage applications ran smoothly.

Throughout the projects West Rand Heritage Consultants provided a professional and timeous service. Their knowledge in heritage matters were above expectation. The heritage significance of structures and the property was in all instances professionally documented.

The Park Property (Pty) Ltd recommends the services of West Rand Heritage Consultants to any organisation in need of their expertise.

Yours faithfully,
